

SC APC P IGTAIL**MODEL: BDN-PSASM09L-A2R****COD: 31454****REFERENCE IMAGE****DESCRIPCIÓN**

Recommended for use in internal environments for termination of optical cables inside of optical distributors, in low loss and high passband systems, such as: long distance systems, main networks, data and video distribution and transmission; Exceeds the performance requirements of the EIA/TIA-568.3-D standard; Assembled and tested 100% in factory;
High performance in insertion loss and return loss;
Available for all major optical connectors;
Available in single-mode and multimode fibers;
Available in PC and APC polish.

SC APC P IGTAIL

MODEL: BDN-PSASM09L-A2R

COD: 31454

SPECIFICATIONS

PARAMETER	DATA
Fiber Type	G.657 A2
Insertion Loss	0.15 – 0.30 dB
Return Loss	>60 dB
Diameter	0.9 mm
Long	100 mm
Operating Temperature	(-25° - 75° C)
Jacket	Green or Red LSZH
